Church of the Transfiguration  
Community of Jesus  
Orleans, MA

This "Ecumenical Abbey" on Rock Harbor in Orleans, MA is the religious center for a 350-member residential order of the Community of Jesus. The buildings are organized around a 'community common' that forms the nucleus for the order. The first phase, including a basilica church, a cloister, and clergy offices, is complete, and subsequent phases including an atrium, a chapter house, choir and orchestral rehearsal spaces, refectory and assembly spaces, and a bell tower will be largely complete. (70,000 s.f.)
