Dreamworks SKG  
Master Plan and Design for Corporate  
Headquarters and Production Studio  
Los Angeles, CA

This new headquarters for DreamWorks SKG-the first production studio in Los Angeles in the past 60 years-includes executive offices for Mssrs. Spielberg, Katzenberg, and Geffen, talent bungalows, administration/staff offices, a village center with retail and dining, nine sound studios, and production support facilities. The new campus surrounds a man-made lake. The Master Plan has been completed. Gensler (Los Angeles) is the Associate Architect. (1,450,000 s.f.)
