Milton Academy
and Classroom Building
Milton, MA

Existing Building: Wigglesworth Hall
(1901); Warren Hall (1880)

The Schwarz Student Center, a transparent glass-enclosed and open-plan layout of student and campus commons spaces, is inserted between two existing traditional brick classroom buildings. A combination of renovation and reconstruction, this new "Campus Crossroads" unites the two existing buildings into one structure while preserving the legibility of the two historic buildings. New mechanical and life safety systems were installed. Finegold Alexander + Associates is the Executive Architect. (Renovation: 62,000 s.f.; Addition: 20,000 s.f.)
