Forrestal Bowld Music Building
Exeter, NH

Existing Building: 1959 Music Building

A contemporary design within a historic Georgian campus, the building is situated in a prominent location on the campus's main quadrangle that is defined by the historic Phillips Church and Louis Kahn's famed Exeter Library. Large windows connect the Main Quad to the building's large interior courtyard space, practice rooms and main orchestra space, encouraging a sense of community for students. (22,000 s.f.)
