Keene State College  
Campus Center  
Keene, NH

The Campus Center is pivotally located at the intersection of the campus' major east/west and north/south pedestrian paths. The three-story atrium acts as a gathering place for a variety of building functions; a multi-purpose performance and banquet space, bookstore, post office, trustee meeting room, convention-style meeting rooms, night club, food court, administrative and student offices. (75,000 s.f.)
